

Social Media Training - Checklist

Version 2

This checklist will help you to set-up your social media accounts correctly and provide you with some actions to start getting involved. After completing the following steps, it's up to you to stay engaged on these platforms and to share corporate content and your own #LifeAtCA stories. CA will continue to provide you with great content to share on your network and you can always count on support from your EMEA Social Media Team. Keep engaged, enjoy social sharing and have fun!

LinkedIn Checklist

Profile

- ✦ Add a professional headshot – SMILE 😊
- ✦ Add CA branded background image (select and upload from one.ca).
- ✦ Craft an informative headline and mention your industry and location (Don't just state job title, think of alternate keywords).
- ✦ Craft an engaging summary (It's your elevator pitch – 2-3 paragraphs, state what motivates you, your skills & expertise, career achievements, your goals and interests and what the future holds).
- ✦ Add your current position with a description (Use CA introduction, explain what you do & who you work with, List links to corporate websites, add list of 15 keywords, add corporate media).

Copy & paste:

CA makes software for businesses that are development driven, because we believe those who build the apps will own the future. From planning to DevOps to Security to Systems Management, we bring an unparalleled combination of experience, innovation, responsibility and value-driven leadership to everything we do.

As the <what you do> for <specialised area> within <region>.

I am responsible <your key deliverables> and I use <key skills/tools> to achieve this.
